PulseR Exhibiting at 2019 International Paris Air Show

June 16th 2019 - PulseR, LLC will be a proud exhibitor at the 2019 International Paris Air Show from Monday June 17th to Thursday June 20th. Tracing back to 1909, the Paris Air Show—also known as “Salon international de l’aéronautique et de l’espace de Paris-Le Bourget, Salon du Bourget”—is the largest and longest-running aerospace trade show in the world. Since its launch, the Show has been at the heart of developments in the global aerospace market, becoming a key meeting place for governments, companies, and hobbyists alike.

PulseR will be **in Hall 3 at Booth E30** showcasing our featured magnetic components and capabilities. We are represented by the PulseR European Sales Team and General Manager who will be available to answer company and technical questions.
